

Appendix: Catalogue Price List

Catalogue price-list appendix for sales conversations, discount logic and price updates.
Working legal/commercial draft. This translated version is prepared for reading,
download and local counsel review before use in the selected country.

1. Price Use

Catalogue prices support sales communication and partner planning. Final prices may depend on currency, tax, delivery, market, discounts and local law.

2. Changes

FIXON may update catalogue prices according to the agreement. The Partner should use the latest approved price list in customer conversations.

3. Local Requirements

Tax display, consumer pricing, resale price restrictions and currency disclosure must be adapted locally.

Country localisation matrix

Market | Adaptation
