

Appendix: Test and Launch Products

Rules for test, demonstration and launch products introduced before regular stock decisions.

Working legal/commercial draft. This translated version is prepared for reading, download and local counsel review before use in the selected country.

1. Test Purpose

Test products are used to validate customer demand, demonstrate use cases and collect feedback before wider launch.

2. Communication

The Partner must clearly distinguish test, demo and launch products from standard permanent offer where relevant.

3. Feedback

Feedback is collected through the monthly report or a dedicated launch form.
