

Appendix: Display Standards

Display, shelf, QR and demonstration standards for partner locations.

Working legal/commercial draft. This translated version is prepared for reading, download and local counsel review before use in the selected country.

1. Display Objective

The display should make the tool's practical use clear within seconds. It should not be decorative only.

2. QR and E-catalogue

QR codes must lead to the current e-catalogue or approved product page. They should be placed close to the displayed tool or material context.

3. Demonstration Readiness

If demonstration is promised, the tool must be clean, safe and ready to show.
