

Appendix: Product Statuses

Definitions of product availability and sales statuses used in the catalogue and reports.

Working legal/commercial draft. This translated version is prepared for reading, download and local counsel review before use in the selected country.

1. Purpose

Product statuses prevent unclear promises and help the salesperson explain availability responsibly.

2. Communication

The Partner may communicate only the current approved status from the e-catalogue or FIXON update.

3. Updates

Status changes should be reflected in the monthly report and urgent notice process when they affect confirmed orders.
