The Partner may object to this Product List available in the FIXON Start Magazine within 7 days of delivery. The absence of reservations within this deadline means the adoption of a document for information and use in current cooperation under the FIXON Partnership Programme. In the event of a statement of objections, the Parties shall clarify the content of the document, remove the discrepancies or prepare the final agreed version of the document. The final version of the document to which reservations have been made shall be approved by both Parties in the form of personal signatures or electronic signatures accepted by the Parties, unless otherwise agreed by the Parties in document correspondence.
