.....
Lp. | Product code/name | Position status | Status as recorded | Facts | Difference | Gross price |

Difference value | Remarks / Technical condition

1 | | | | | | | |

2 | | | | | | | |

3 | | | | | | | |

4 | | | | | | | |

5 | | | | | | | |

6 | | | | | | | |

7 | | | | | | | |

8 | | | | | | | |

9 | | | | | | | |

10 | | | | | | | |

11 | | | | | | | |

12 | | | | | | | |

Number of inventory items |

.....
Number of positions without discrepancy |

.....
Number of positions with discrepancies |

.....
Total gross positive differences |

.....
Total gross negative differences |

.....
Total value of damaged/lost products |

.....
Is the gap threshold for further verification exceeded? | ? NO ? YES, description:

.....
In the event of disclosure of differences between the registration status and the actual

condition, the Partner shall indicate the reason for the discrepancy, if known, and shall provide the available documents confirming the sale, return, complaint, shift, damage, loss or other event affecting the condition of the product.

Description of discrepancies / damage / deficiencies:

Annexes confirming the explanations: ? sales report ? photographs ? damage report ? complaint ? return document ? correspondence ? other:

Pursuant to this Protocol, the Supplier or the Mediator may accept the condition of the warehouse, call upon the Partner to complete the explanations, correct the records, activate the supplement of the warehouse, suspend the addition until the discrepancies are resolved, request the return of the products or settle the lost, damaged or damaged products under the terms of the Partnership Programme and related documents.

Decision after inventory | ? State accepted ? ? Required explanations ? Revision of the records ? Supplement to the warehouse ? Suspension of the replenishment ? Settlement of differences ? Reception of products
Deadline for further action |
Person responsible for further action |

The Partner declares that the data indicated in this Protocol have been provided to the best of his knowledge at the date of the inventory and that the products and items under control have been made available for verification within the scope of the Protocol. The Partner undertakes to provide additional explanations or documents without delay if they prove necessary to settle discrepancies or update the records.

Reservations to this Protocol may be made within 7 days of its delivery. The absence of reservations within the above deadline means the adoption of a protocol for information and application in the framework of ongoing cooperation. Where reservations are raised, the Parties shall clarify their scope and the final agreed version of the Protocol shall be approved by both Parties in the form of personal signatures or electronic signatures accepted by the Parties.
